HORSE LESSONS

Physical Education for Homeschooling Programs

- ★ Combines physical coordination, balance and stamina during riding and handling horses with emphasis on educational development of full horse knowledge. Horsemanship encourages responsibility, patience, respect, self-confidence, and compassion.
- ★ Lessons focus on versatile and practical riding available for a variety of age, skill level, and riding style background of students
- ★ Variety of disciplines offered: Hunt Seat, Western, Driving
- ★ Each class session includes hands on instruction: grooming, tacking, handling, and riding and/or driving a horse or pony. Other activities include equine care, nutrition, stable management, games on horseback (soccer, polo, jousting) and mind challenges (horse trivia, quizzes, word searches).
- ★ Safety is #1. Students learn in a safe and fun way on gentle, trained horses and ponies and taught by a certified instructor. Approved helmets and footwear required (helmets may be provided by facility). Safety checks on equipment by qualified staff.
- ★ Small group size- 5 students maximum- allows individual attention.
- ★ Available to students ages 7-18
- ★ Comfortable and friendly facility- large outdoor and indoor arenas, bridle paths and wooded trails
